B. **What** happened?

I WAS TOLD BY BRENDA TACKER THAT VALARIE JASS WANTED TO SEE ME IN HER OFFICE AT 3pm. NO REASON WAS GIVEN. AT 3pm I ENTERED MRS JASS'S OFFICE, BRENDA TACKER WAS SEATED THERE. MRS JASS ASKED ME TO BE SEATED, SHE SHUT DOOR. AND SHE IMMEDIATELY LEANED CLOSE TO MY FACE FROM ACROSS THE TABLE AND YELLING! TELLING HOW MANY TIMES I HAD BE TARDY TO WORKED. STATED I HAD BEEN WARNED (NOT TRUE) SHE SAID THE VERY NEXT TIME I WAS I WOULD BE TERMINATED. HER LOUD TONE NEVER CHANGED. I WAS SHOCKED WAY SHE WAS ACTING. REASON BEING I TOLD HER THE REASON WHY WHEN

II. STATEMENT OF CLAIM(S) (continued)

She first stated at Correct Care Solutions, and BRENDA TACKE knew my medical problem. Mrs Tass stated she was fine as long I completed my Job duties once I arrived, I also told her I would keep her informed of all my Doctor Appointments and Dr findings.

I fell on the Ice on Douglas County Corrections Property, wrote up Report. Severed A Fracture Foot (L) Later developed pain severe in my hips, known for being late, had to sit on ICE PACKS each morning to sometime move from my bedroom - take A pain pill. So This made me late to catch city transit bus. I would ALWAYS call and let staff know I'd be at least 20 mins late. She (Valerie Tass) never said a word for months regarding me being TARDY. To continue, the meeting conversation, which was one sided, she did all the yelling. During The WITHE TIME BRENDA TACKE NEVER SAID A WORD NOR LOOKED AT ME! One Can't understand I hurt - this causes another human being.

Mrs JABS continued on about my
tardiness and days missed. Still hearing over
table in my face. Then in a very Anger
told she stated to me AND I quote "That's
why half the population are in Jail now,
for taking drugs." I then in a normal
tone stated she knew why I was taking
A pain pill. She then stated maybe you
can't even perform your duties on drugs.
I simply listen from then on. I was
too Anger to speak! Looked at Brenda
Tacke from moral support, not a word from
her. Mrs JABS's last surprising and heart
comment was and again the quote, "Maybe
you are too OLD to working for this company
Anyway!" Meeting over returned to my desk
shocked & upset, was being consoled by DR Wilkinson
and Valarie screamed get to work! Instead of gossiping,
I stated wasn't gossiping. She left room, returned
told me very loudly and Angerly to get my belongings
and leave the Bldg. Asked if was fired 3 times, she stated NO.
But she AND BREND TACKE walked me all the way
out of the Building! Also I had a coworker age 73! I 65

OATH.

The incident with VALARIE JASS could have been handled in a much more understanding and human way. Instead she chose to belittle me by treating me as if I was a five year old. How demeaning as I was 65. Talking about my age and threatening me with it, by her statement. Also too be compared to an Inmate because of medication prescribed to me was awful. I felt abused. All this have an effect on my nerves. In meantime, Appx a month later I get a call at work from Neurosurgeon Back surgery was already scheduled for me. That's how serious my pain was - MRI showed my spine was slipped out of line. Between this news and Incident with Valarie Jass and Brenda Tacke I was a nervous wreck. I forgot to go and Apply for Medicare Part B which would have help cover hospital costs. I wasn't going to retire for Appx 1-2 years after ~~surgeon~~ surgery. But could not longer work for Correct Care Solutions / BRENDA TACKe who denied Age statement was even said to me. I asked her briefly why, stated "Sorry that was a week ago and I forgot, sorry." I left it alone.

FRANKIE ALLEN, HR Generalist at Correct Care stated by case closed because Valarie Jass And Brenda Tacke stated age statement was never said. And I was to refrain from discussing this with other employees including the witness.

Cont'd - pg 2

I worked in self contained anger til I decided to retire in December. Have my Back Surgery and not return. Needed to continue working to be bill free and have more money in my 4K account.

With Not filing for Medicare the whole amount of Hospital stay Surgery was on me. Can't begin to tell you how hard and long I had to go thru Hospital help and medicare ~~thru~~ to get this paid. The stress got the better of me along with And Anger Psych MD increased my medications - Cymbalta and placed me on Klonopin. It helped at times to talk with me. But when you know something was said and done to you - It consumed you on a daily basis. I think being made to leave work - walked out like a child, placed in a corner and I 65 years old!

But I returned that Monday morning holding my head high - but with Anger and hurt. Coworkers were great. Many lies are told in my file I read example - I never left Valerie Sass office and screamed, disturbing coworker, only spoke to Dr Wilkinson at my desk quietly, with her telling me "it's OK Ruth and sorry. She noticed something was wrong. Few days later a meeting took place and we were informed VALERIE SASS would be leaving us - No explanation For Appx 2 years I tried to get some satisfaction for what I went through. Ruth Coleman
